TPA RENEWALS!!

TPA'S ARE NO LONGER REQUIRED TO HAVE THEIR LICENSES

RENEWED BY 11/1. Please wait until you receive the postcard reminder to renew before attempting the online process. We are currently working with Sircon to ensure that you will be able to process your renewal online. This service should be available by 11/1. If online services are not available by this date, you may access a mail-in form on our site by going to TPA RENEWAL, next to ONLINE and MAIL-IN renewal options. Put in your TPA license number for Idaho and a form will pop up with your information. Complete this form and mail in with payment and any necessary attachments (see below.) This mail-in service will be available by November 1st as well.

ONE OF THE NEW REQUIREMENTS at time of renewal for TPA's is reporting the past year's amount of claims handled or premiums collected. This is for purposes of insuring that the bond in place is adequate. One of the ways in which you can prepare for this year's renewal is to examine whether or not your TPA bond is adequate. At time of renewal, you would be required to send a bond rider if the bond is not adequate. The TPA bond amount should reflect a minimum of 10% of claims handled/premiums collected over the past year. That adjustment can be made prior to or at time of renewal.

If you have entered into **ANY NEW AGREEMENTS WITH AUTHORIZED INSURERS** pursuant to Idaho Code §41-903, a copy of the agreement must be filed with the department.

Please contact the department if you have any questions: 208-334-4250 or agent@doi.idaho.gov.
